

XYZ Company: Internship Opportunity

XYZ Company invites talented and motivated individuals to join its Data Analytics department. We are looking for candidates who:

- Have a keen interest in Data Analysis and Data Visualization
- Possess a flair for visualizing complex datasets
- Are able and willing to work in Lahore
- Are preferably majoring in the field of Artificial Intelligence, Data Sciences, Statistics or Information Technology. However, students from other majors will be considered if they show sufficient interest/have relevant interests and skills.

We are leading data analytics consulting company in Pakistan. The company started its operation in 2009 with a humble beginning but a bold vision. Our mission is to uncover hidden insights buried in your data, empowering teams with actionable intelligence.

Job Status: Full-Time

XYZ Company offers a stipend of Rs. 10,000 per week. The minimum duration of the internship is 4 weeks (extendable with mutual consent). The location of the internship would be Lahore.

Students should send us the following by 21th Feb 2025:

- Updated CV
